

AQUATEC 90

- ... Raises the toilet seat by 10 cm
- ... Fits all standard toilets
- ... Easy and safe attachment through front lip and side clamps
- ... Large turning knobs enable quick and easy attaching and detaching
- ... Non-slip rubber buffers ensure a safe seating experience
- ... Large hygiene recess in front facilitates personal hygiene
- ... Deep splash guard minimizes soiling
- ... Easy to clean due to smooth surfaces – no dirt collecting niches and corners
- ... Easy lowering and raising because of slightly sloping seat from back to front
- ... Available with or without lid
- ... Lid is easily detachable for cleaning purposes
- ... Lid available as accessory
- ... Exceptionally high load capacity: 225 kg!
- ... Small weight
